Near the base of Mount Cranmore and the charming Village of North Conway, and in the very heart of Eastern America's top ski areas is **NORTHFACE RESORT*** AT MOUNT WASHINGTON VALLEY.

In designing the residences at **NORTHFACE** our goal was to capture the interplay of sky and rolling mountains . . . skiers schussing down nearby trails . . . the excitement of village life below . . . to create an atmosphere within each unit that echoes the grandeur of this beautiful area.

Management and rental services are available to accommodate the strong four seasons rental market, along with world-wide resort exchange services . . . your enrollment is prepaid at **NORTHFACE RESORT**.

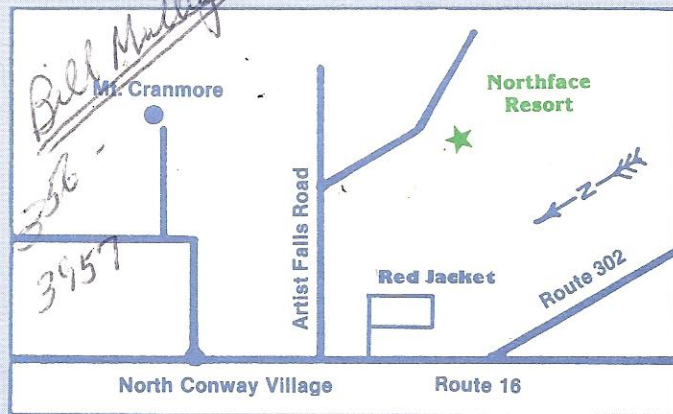

In-ground pool and tennis area complement our pine-studded grounds buffered by public forestlands with seemingly endless nature trails. From your living area and deck enjoy vistas of sloping wooded hillsides . . . ever changing with the seasons . . . up through the valley framing the breathtaking summit of Mount Washington.

**A division of Woodland Hills Condominium and Wonderview Development Corporation.*

Luxury:

Luxurious living is what you'll find at **Northface Resort**. Units are in two styles, 1156 square feet (A) or an available (B) at 1358 square feet. **Northface Resort** is located off Artist Falls Road off Rte. 16, one-half mile south of North Conway Village.
