

NORTHFACE RESORT CONDOMINIUM ASSOCIATION

**A Condo at Woodland Hills
North Conway, NH**

March 27, 2001

Dear Northface Unit Owners:

Attached is a complete set of the Association's condominium documents (declaration, bylaws, rules and regulations and amendments), as discussed at the last annual owners' meeting.

A copy is being sent to every unit owner because so many could not locate their copy or they had an incomplete set.

Please keep this set of Northface "docs" in a prominent, safe place for future referral and for the time when you sell your unit.

An owner selling their unit is required to give a copy of the condominium documents to a prospective buyer.

Should you misplace this copy of the documents provided at the Association's expense this one time, you will have to contact management for another set and bear the expense of such yourself.

Sincerely,

**Executive Board
Northface Resort Condominium Association**
