Dear Northface Owners,

We are writing to remind you about the importance of sending your payments to the same address you have been using for Northface. It has come to our attention that there might be some confusion regarding payment procedures, and we want to ensure a seamless transition in our financial operations.

As a Northface owner, your timely payments contribute to the continued success and growth of the association. To maintain consistency and avoid any disruption in the payment process, please continue to send your payments to the same address you have been using all along.

Should you have any questions or concerns regarding your payments, please do not hesitate to reach out to me.

Thank you for your attention to this matter. We sincerely appreciate your ongoing support and cooperation.

Best regards,
