Good Morning,

For those attending the annual meeting in person, the address is:

2279 White Mountain Highway
[North Conway, NH 03860](#)

We are located inside the Mount Washington Observatory Admin building. There is parking in the back of the building as well as street side parking.

The building has entrances at both the front and back. There are stairs leading down to the basement from both entrances. Additionally, for those who may have problems navigating stairs, there is a ramp located at the front entrance, and there is an elevator available to access the basement.

The meeting is scheduled to start at 9:00 AM

Ted Jendzejec
Property Manager
Universal Property Management
